**Letter of Thomas W. Edwards, Jr.
December 15, 2000**

Founded 1769

December 15, 2000

Mr. Harold Miller
Atlantic Broadcasting Co., Inc.

Dear Mr. Miller,

In response to your request, this letter and the supporting documentation verifies and qualifies that the area of Litchfield Beach, SC is recognized as a separate community within Georgetown County.

The Litchfield area of the Waccamaw Neck has always been identified as a distinct community. It is comprised of five major sub-sections: North Litchfield Beach, Litchfield-by-the-Sea, Litchfield Plantation, Litchfield County Club and Litchfield Beach (South). On August 10, 1999, Georgetown County Council amended the official Zoning map of the county to include commercial corridor overlay zones. Article XVIII designates five distinct geographic areas that comprise the zone. Subsection 1800.1.3 is the Litchfield Zone, with boundaries from Sandy Island Road, south, to Parkersville Road. Additionally, the area extends from the Intercoastal Waterway (West) to the Atlantic Ocean (East).

The following items address the criteria supporting the designation of Litchfield as a separate community:

I. U.S. Census Information:

Litchfield includes three census tracts. These three tracts include the following population estimates:

Census Tract	Total Population	White	Black	Indian	Asian	Other
9805003	1,421	149	19	4	1	0
9805005	1,760	56	10	51	52	6
9805006	640	85	7	3	2	0

*Figures from the US Census Bureau

II. Conflicting Population Estimates:

The difference between the state population figures and the county GIS estimate can be attributed to the fact that although there is growing year round population in Litchfield, many residents use their properties as second homes. These homes are given 911 addresses, but are not included in the official census records. Additionally, Georgetown County's "outlining" of the Litchfield area and the U.S. Census Bureau's "outlining" of the areas are slightly different.

III. Taxable Property: Homes and Businesses plus 911 residents and business addresses:

- a. Tax Base for the area is approximately \$32 million
(*Verified by Georgetown County Assessor's Office)
- b. See attached listing
- c. See attached listing

GEORGETOWN COUNTY
Post Office Drawer 1270 • 715 Prince Street
Georgetown, South Carolina 29442-1270
Telephone (843) 546-4189 • Fax (843) 546-4730

- There are over forty businesses in the designated area. These include churches, restaurants, specialty shops, doctors and dentists.
- There are several community groups: Waccamaw Neck Community Association; Pawleys Island/Litchfield Business Association.
- Litchfield Beach is part of the following politically designated areas:

- *County Council Districts 1 & 6
- *State Senate District 34
- *State Representative District 108
- *The 15th Judicial Circuit
- *The 1st Congressional District
- *Georgetown County Fire District #2
 - Midway Fire District
 - Fire Station located in Litchfield Beach

- IV. The area has been recently given it's own branch of the Georgetown County Library system. The newest shopping center is the Litchfield Village Market which has a large Grocery Store as the anchor tenant as well as many specialty shops and two (2) branch banks. Adjacent to the shopping center is a brand new multi-story Hampton Inn Suites. An additional shopping center, the Litchfield Exchange is located nearby with numerous shops, medical facilities, legal offices, and other businesses.
- V. Recently funds were approved to construct a new water-sewer facility to provide service to the Litchfield area. Willbrook Plantation, part of the Litchfield community, has just finished construction of a new Marina facility. This will provide access to marine traffic from the U.S. intracoastal waterway to the Litchfield area.
- VI. Land has been acquired to construct a new school. The Waccamaw Middle School notice to proceed date was January 17, 2000. The revised completion date is April 30, 2001. See the attached building contract for additional information.
- VII. There are three churches, St. Paul's Waccamaw United Methodist Church, St. Peter's Lutheran and Christian Science Practitioners. The Christian Science Church also provides a reading room and library for area residents.
- VIII. Local events include:
- a. A. Foster McKissick Memorial Golf Tournament
 - b. Carolina Couples Golf Tournament
 - c. Christmas Festival
 - d. Festival of Trees.
- IX. There are many homeowners associations including the largest, Litchfield Beach Property Owners Association.

I think the location of your radio station in Litchfield will be of great value to the community, and if I can provide any further assistance please call me.

Sincerely,

Thomas W. Edwards, Jr.
County Administrator
